Subject: Tax Reform

Dear Sir/Madam,

In my opinion, I agree that GST is launched as soon as possible but we need to make a target which is said 'Consumer'. We always say that there is a fair for all kind of people (Rich, Moderate & Poor) and I do not want to see the reaction that the government shall pay additional to the poor one later then. So, I suggest GST is only for the consumer who consume the products such as Clothes/Shoes, Electric Products, Motor Car/Cycle/Junk, Cinema/Theatre/Concert Tickets, Deluxe Watch & Pen/Jewellery/Gold & Furniture etc. Thank you.

Regards
