"財政司司長唐英年指，香港有需要擴闊稅基，現在是適當時候去討論商品及服務稅，不應逃避。"

By similar token, the HK govt shouldn't escape the reality of its wastefulness, redundancies, blood-sucking semi-govt orgs, and start doing something about it.

YOUR HK GOVT NOW BEHAVES LIKE A SPOILED 9-YR OLD KID ASKING FOR MORE POCKET MONEY WHILE HIS SCHOOL REPORT CARD SHOWING EVERY SUBJECT BELOW PAR, INCLUDING HIS CONDUCT!!! AND HOLDING HIS PARENTS FOR RANSOM AS IF THEY ARE THE DEBTORS.
