Subject: FW: Hong Kong does not need GST

22/07/2006 11:16

Urgent

Return Receipt

Dear Sir/Madam,

"Hong Kong does not need GST"; I agree this statement and agree the following points:

彭定康坦言，他當年不惜力排眾議，堅持壓下開徵銷售稅的建議，主要有兩大原因。首先是開徵銷售稅後將會增加政府庫房收入，隨之而來是政府開支必然會大幅增加。另一個令他更反對銷售稅的原因，是這稅項是一種累退稅（**regressive tax**），在有關稅制下，貧窮的人只會付出更多，對他們來說絕對不公平。

If you agree on these points, please forward this email to taxreform@fstb.gov.hk, and bcc this message to your friends. Thank you.
