Subject: 稅制改革 – 強烈反對

大佬呀！我比埋條命你好冇，淨係識黎攞我地，唔該劫富先啦！我一個人住燈油火立，乜都要自己黎，仲要人工8成用左黎還債，而家1個月都係得4、5百蚊使，千祈唔好病TIM WOR，早知就唔做債務重組，直頭破產就算，諗住-錢始終係我使既，係應該還既，但反觀E個社會上個個都做破產，仲特登襟晒D CARD LIMIT出黎至破產，唔使點還，4年後又1條好漢，你睇亞B就知啦！但我呢~~~~~申請公屋又高過6千蚊收入，申請公屋我又有份工，因為做左債務重組，又乜都唔郁得！死左好過LOR！

或者好似下面網民所講，你即月比番晒-稅款我就可以，你地-高官、有錢佬帶頭行先，高官改唔超過百萬年薪，有錢佬嘔番-錢出黎先啦！改左稅制，啲有錢佬就交少幾百萬一年，我就病都有本事，唔該你要開刀，可以-找那些有錢佬或者未要交稅但已有份工的人開刀。都離晒譜！唐英年你好彩，出身有錢家庭，試下CUT晒你所有野，比500蚊你駛，用一個月WOR，唔係一日，睇下你點。諗野唔該用番我E-小市民（重債務）既角度去諗啦！

It's a problem the gov income is manily beased on salary tax, and not most of the people do not need to pay tax. Even for the low income people, if there is a refund from gov, it's no loss for them, for an example, a low income family with \$10000 income, the max they need to tax the new tax is just 500 hundred per month. If the government can refund this value to them, they are not affected!! On the other hand, this new tax can include a group of people that they have not pay tac through salary tax, such as most of the self-employed people/ taxi driver etc.
