Subject: do not add more government staff using GST reason

2006/07/31 10:20 AM

Urgent

Return Receipt

I am voting against the GST. Do not use GST and 5-day week to add more numbers of civil servants.

Also Hong Kong will lose the "tax" simple and "shopping Paradise".

More people will go to China to shop and play, retail and tourism will go dead in Hong Kong.

**WILL YOUR ALL THINK THINK THINK MORE CAREFULLY!!!!!!**
