 Subject: Tax Reform - comment

Dear Sir/ Madam,

I am not so sure whether this mail address is the correct place for expressing our comment for GAT?! Furthermore, I do not know Tax Reform Website until I watched the relevant TV commercials over times & times!!

Do you know what will be the real reason??!!

The real reason is YOU => Government, actually just not really do want our comment at all!!!!!!!!!!!!!!

During your TV commercial, all of the time is your hotsale of GAT. How long did you show your website?? Not more than half second, I bet!!

Your sincerity just can then be shown so clearly!!!!!!!!!!!!!!

Besides, even after your website ... you just never mention a correct way to express our comment. => This e-mail address are just mentioned in a PDF document attached!!

How great it is!!  
 I never visit a website so user-friendly before!!

Great Hong Kong Government!!!  
 Ha Haa~~

Desperate on present HK Government,  
 Rina
