Sir,

Pls be kindly to consider of the GST.

Think about the effect for the low and mid class.

Do you even know that GST was the drugs of government.

When the government start GST, just like drug addict.

Never can turn down the drug.

Also the cost of count tax. You should know that Calculate GST not only work for government. Every

Company need to employ more staff to calculate. It make the total cost of company running increase.

Please stop the plan of GST. If you make the GST process,

Hong Kong and Your goodwill will totaly loss.

Best Reg,

Gorden
