Subject: GST should only apply on the goods which over HK\$1000 per pcs.

10/09/2006 22:39

Urgent

Return Receipt

Dear Mr. Tsang (????????????????????) & Mr. Tong (?????),

GST should only apply on the goods which over HK\$1000 per pcs. It can reduce the effect on basic people.

For the TAX which come from GST should be use for improve HK air quality. First thing we can do is how to reduce the waste-air from car.

Best Regs,
Ivan
