Subject: GST & THE INFLUX OF PREGNANT WOMEN

TO: MR. HENRY TANG - THE FINANCIAL SECRETARY

HI, HENRY !

(1) MIXED FEELINGS NOT TO INTRODUCE THE GST.  
I AGREE THAT THE TAX BASE IN HK IS TOO  
NARROW. BUT WHY GST ? I PREFER SOME OTHER TAXES LIKE INTEREST / DIVIDENT  
TAXES  
WHICH ARE MORE ACCEPTABLE BY THE PULIC.

(2) I ALSO WORRY ABT. THE INFLUX OF PREGNANT  
WOMEN TO HK AND THEIR BABIES BORN. I THINK  
YOU KNOW THE SERIOUSNESS OF THE PROBLEM  
- THE FINANCAL BURDEN OF THE MEDICAL,  
HOUSING, EDUCATION AND OTHER SERVICES  
PROVIDED. EVEN IMPOSING GST WILL NOT BE  
ENOUGH.

I FEEL THAT YOU ARE NOT SO "CUNNING" AS  
DONALD TSANG WHO ALWAYS TURN A BLIND  
EYE / DEAF EAR TO HK'S ISSUES,(LIKE THE FIGHT FOR DEMOCRACY), EXCEPT FOR SOME EASY  
TASKS.(LIKE POLLUTION CONTROL)

HOPE IN YOUR BUDGET SOMETHING CAN BE DONE  
TO EASE THE SUBJECT PROBLEM. OF COURSE, THE  
BEST / FINAL WAY IS TO AMEND THE BASIC LAW  
BY YOUR COLLEAGUES & THE LEGCO.

(3) PLS. ALSO AWARE THE WEALTH / INCOME  
DIFF. IS GROWING BIGGER & BIGGER. YOU MAY SEE THE EVIDENCE IN LAND AUCTION - THE  
ONE  
IN MA ON SHAN & THE OTHER IN KOWLOON  
TONG. IT IS A SHARP CONTRAST !!

HOPE YOU TREAT THE PROBLEMS SERIOUSLY.

THANKS!
