Subject: HK Basic Medical Insurance Plan (Budget 2007/8)

Dear Henry Tang (Financial Secretary of gov.HK);

Federick SH Ma (Secretary of fstb.gov.HK),

Subject :

Budget 2007/08; Broaden the Tax Base by the indirect method

Suggestion : New Medical Insurance Plan for all HK Staffs & Workers -

To design a new **HK Basic Medical Insurance Plan**

(Long Term Medical Insurance covering : from " 21 to 80 " age inclusive)

for all HK Staffs & Workers who have to join this Compulsory Medical Insurance Plan

and to pay for the annual Premium \$ from 21 to 60 years age old by monthly installment.

This is the indirect way to Broaden the HK Tax Base by this Basic Medical Insurance Plan !

Because, HKgovernment does not need to increase the Tax for the increasing medical expenditures due to the Aging problem of Hong Kong.

Thank you for your kind consideration,

Please canvass my suggestion and take prompt action !

Best Regards,

Keith (Dec8,2006).
