1. Please cut the subsidies of SME / CEF and the like of funds as it will increase the price a great deal because of gov't subsidy. The unreasonable price push all the people to apply and the people out of the scope will suffer. It also leads to criminal of cheats.
2. Support Sales Tax to broaden the tax base - increase the living standard in Hong Kong so as to avoid a large immigrate population.
3. Please increase the price of hospitalization for the non hongkonger or try to block the thousand of pregnant coming to HK
4. Please set rules or penalty for the shop where raise up temperature a great deal (esp in summer) by using lamp 24 hours outside the shop.

Thank you for your time.
